

Pick-up Procedures for Wednesday Evening Religious Education

BEGINNING AUGUST 24, 2016

AT ST. MARY'S SCHOOL

Students will be escorted to the pick-up location by their teachers. As drivers pull up to the west door on the north side of the school, the student will be dismissed. Parents will not need to come into the building to pick-up students. **Students will not be permitted to leave until their car pulls up to the school building.** Please do not ask your child to meet you at a different location.

If a teacher needs to speak with a parent, the child will bring a note from the teacher to the parent and either ask for a telephone call or ask the parent to speak with the teacher before class the following week. Parents may do the same if they would like to speak with the teacher.

We ask drivers to please enter the parking lot at the opening on the west side of the school. Drivers will then pull up to the walk by the northwest entrance. After picking up the student, cars will follow the drive back to Hunters Way Road and can choose to either turn right or left to exit.
