The "Excellence in Catechesis" award from our Archdiocese of Indianapolis was presented to me last month. Thank you to Fr. John Meyer for taking time and writing to nominate me. I have to say, I feel very humbled to receive this award that affirms by the grace of God I am allowed to follow his call to strive to be a disciple of Christ. I am grateful that a seed was planted by my parents and catholic educators that instilled the importance of faith in my life; it has gotten me through the good and the sorrowful times. It is a gift I hold very precious. I accepted this award on behalf of all of our staff at the parish and school and of all of our parishioners. I strongly feel that it is our faith community of St. Mary's working together and committed to planting strong roots that allows our catechesis programs to be successful. I work alongside so many volunteers that are passionate about building strong foundations of faith for our parishioners; our programs happen because of their dedication. And of course our pastor and fellow co-workers who surround me with their great zeal to pass on our Catholic beliefs; they inspire confidence for all of us to continue on this awesome journey of life with Jesus.

Stewardship – A way of Life

October 1, 2017 - 26th Sunday in Ordinary Time

“Do nothing out of selfishness; rather, humbly regard others as more important than yourselves...” - PHILIPPIANS 2:3

Pride and ego are hard things to control. We see how others act or dress and think we are superior to them. We idolize our own self- image. But, if we truly believe everything is a gift from God, we recognize all the people that God has put in our lives as gifts! We are grateful for how they enrich our lives. Pray every day for the people in your life.

From the Stewardship Commission

Did you know...?

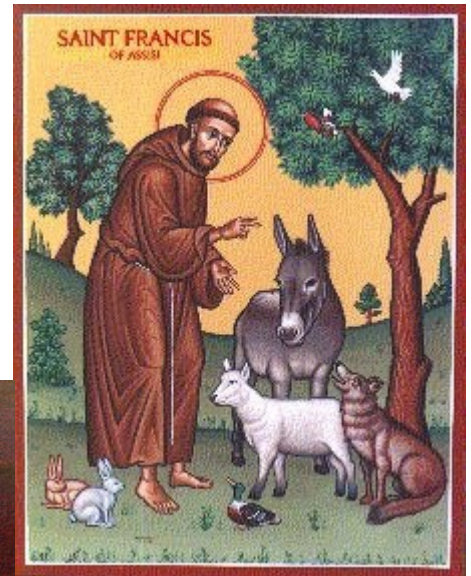

On September 20, Terry Hall visited our school to once again talk to the students about the important topic of body safety. As a police detective and former victim of child molestation, he knows all too well the importance of his message. He uses age appropriate language but deals directly with this topic. He said that it takes three years of monthly reminders to molest-proof a child. In keeping with our mission to educate our students in every capacity, we welcome Mr. Hall and his message to keep our students safe.

Big Brothers Big Sisters of Decatur County is a self-supporting, non-profit mentoring organization which directs 300+ children annually, toward successful futures. Our vision is that all children achieve success in life, and our mission is to provide children facing adversity with strong and enduring, professionally supported one-to-one relationships that change their lives for better, forever. We hold ourselves accountable by partnering with parents/guardians, volunteers and others in the community so that each child in our program achieves; higher aspirations, greater confidence, and better relationships that encourage avoidance of risky behaviors and educational success.

Big Brothers Big Sisters is in desperate need of mentors for our local youth. The children we serve just need someone to look up to, someone to listen, and guidance that will point them in the right direction.

There are several ways for volunteers to help. The lunch buddy program only requires a half-hour, once a week, from the end of September to the end of April. The CORE program provides an opportunity for those who might like to spend time participating in activities outside of the school setting. We have several children on the waiting list for both programs.

If you provide us with a direct email address, we would be happy to send a flyer which we feel will be helpful in explaining the benefits our programs provide. Those who are interested in becoming mentors or have additional questions may contact us at [812-663-7556](tel:812-663-7556) or email us at lisa@bbbsgreensburg.org.

Thank you in advance for helping us reach the valuable mentors who make our community a better place! We hope to hear from you very soon!
