Kathy is a 17 year old sweet young lady who works as a maid double shifts to help her mother and 4 siblings (2 year old sister and 3 brothers). She has to walk many miles to work twice a day. We met her in the Municipality building as she was the first speaker to share her dreams for the future. She has an absent father. Her dream is to go to college to study Business Administration. She completed her high school in Tegucigalpa at Villa de las Ninas, a boarding school run by the Sisters of Mary. We visited her in her home which the family was renting. Had to walk up a steep hill to get to her house and we needed to hold onto a rope to come down.
