

A vibrant watercolor illustration. In the upper left, a bright yellow sun with rays is partially obscured by a dark, horizontal silhouette of a landscape or a path. Below this, a winding path leads from the foreground towards the horizon. The background is a rich, textured wash of colors including shades of blue, purple, pink, and green. The overall style is soft and artistic.

Latin America Collection

This week our special collection supports the Church in Latin America. For many living in Latin America and the Caribbean, a rising secular culture, difficult rural terrain, and a shortage of ministers all make it difficult for people to practice the faith. Your donations fund catechesis, marriage and family life programs, and seminarian formation, so that people can grow closer to Christ. Please prayerfully consider supporting this collection to share your faith with our brothers and sisters in Latin America and the Caribbean. Thank you!

New Year, New Faces & Places

2025 is off to a great start at St. Mary's School! We have some new faces in our building as we start the new year. We have welcomed new students in first grade and second grade. They have been settling in nicely and are quickly becoming part of the St. Mary's family.

We also have some staffing changes. After Thanksgiving our new fifth grade teacher, Mr. Wheat, took a job closer to home. This prompted our special education teacher, Mrs. LeeAnn Gauck, to make the change back to the regular education classroom. Right before Christmas break, we found a teacher to fill that special education role in our building. Miss Addison Laker started after the break. Her role is to serve the needs of our students with Individualized Service Plans and ensure that all accommodations are being met for these students. We are excited to welcome Miss Laker to the staff!

We have one more new face involved in our school this semester. A parishioner, Mr. John Rigney, has stepped up to fill the vacant role of Athletic Director for our sports programs. He has years of experience being the athletic director at the Greensburg Junior High and he is adding us to his responsibilities. He will schedule games and officials and handle rosters for all Knights teams. We are blessed to have him taking care of our athletic programs.

What is Candlemas?

Candles for Sale after Masses February 1 & 2.

Candlemas Day is another name for the feast of the Presentation of the Lord. Forty days after His birth, Mary and Joseph brought Jesus to the temple for the rites of purification and dedication as prescribed by the Torah. So the Presentation is a proclamation of Christ — Messiah and Priest, Lord and Savior. He is the light who came into this world to dispel sin and darkness. For this reason, traditionally at least since the seventh century, candles have been blessed and available at Mass this day that can be used throughout the year, hence coining the term "Candlemas."

Dear Parents,

Each year during Catholic Schools Week we have a special Open House for prospective preschool students and their parents. This year, our Preschool Open House will be on Monday, January 20, 2025, from 3:00 – 6:00 p.m. This is an opportunity to look around the classroom and learn more about our preschool. We anticipate your visit to take approximately 15 - 20 minutes. We are excited for you and your child to visit St. Mary's Preschool, which is located at 1331 E. Hunter Robbins Way Greensburg, IN 47240.

The St. Mary's preschool experience involves a hands-on approach in a Christ-centered environment. We offer either morning or afternoon sessions and students must be 4 years old by August 1, 2025. We ask that only the prospective preschool students and parents attend. Please enter the school through door #1.

PRESCHOOL REGISTRATION WILL BE HELD AS FOLLOWS

Feb. 3 – 7 - Registration for current St. Mary's school families or Daycare families.

Feb. 10 – 14 - Registration for members of St. Mary's or St. Catherine of Siena Parish

ST. MARY'S SCHOOL MISSION STATEMENT

St. Mary's School, in partnership with the family and church, provides a Christ-centered education in the Catholic tradition by nurturing the development of each child, in order to reach his/her full potential.

January 6, 2025

Dear Families,

It has been our tradition in past years to conduct a special Open House for prospective kindergarten students. We are happy to announce that this year we will be hosting the **Open House on Monday, January 20, 2025**. Since this is the Martin Luther King Day holiday, there will be no school for students on that day unless it is needed to make up a snow day. The kindergarten teachers, Mrs. Jenny Smith and Mrs. Emily Weigel, will be in their classrooms **during the hours of 3:00 to 6:00 PM** to meet you and your child, allow you to see the classrooms, and answer any questions that you may have about St. Mary's kindergarten.

The St. Mary's kindergarten program is a full-day program that involves a hands-on approach in a Christ-centered environment. We follow the State standards for instruction, and we infuse our Catholic faith into every part of our school day. Knowing that young children learn best by practicing skills in a variety of ways, we use a myriad of approaches to learning from the traditional paper-pencil tasks to hands-on activities to technology-based lessons. We even use play as a way to let children discover ideas on their own while building social skills.

Kindergarten registration will take place during the first weeks of March.

Registration typically takes place online. Families who currently have older students in our school will simply add the kindergarten student to the forms that are submitted for the rest of their children. Parents who are enrolling their first child in K-8 will need to contact the school office (812-663-2804) for registration information if you do not receive information via mail. **It will be very important to submit the registration forms by the registration deadline in order to hold a spot in the kindergarten class for your child.** There is a maximum number of students that we can allow in the kindergarten class to ensure the best learning environment.

We hope that you and your child will be able to attend our Open House on Monday, January 20, anytime from 3:00 to 6:00 PM. You will be able to learn more about our program to help you make an informed decision about your child's kindergarten experience. Students who are eligible for the 2025-2026 kindergarten class must be 5 years of age by August 1, 2025. If you have any further questions about the Open House, you are encouraged to call the school office at 812-663-2804 or email nbuening@stmarysgreensburg.com. We would love to have your child as a part of the St. Mary's kindergarten family.

Sincerely,

Mrs. Nancy Buening
