A pastel painting of a desert landscape. The foreground is filled with small, bright yellow and orange flowers growing in sandy soil. In the middle ground, there's a wide, flat desert plain with sparse green and brown vegetation. In the background, a range of mountains is depicted with soft, blended colors of blue, purple, and orange, suggesting a hazy or sunset atmosphere. The sky is a light, textured blue. The overall style is soft and artistic, typical of pastel work.

**“Everyone who drinks this water will be thirsty again.” JOHN 4:13**

Jesus reminds us that material things, even something as basic as water, can never satisfy us over the long run. When we build our lives around material possessions we will always want more and no amount will ever satisfy our desire. True joy and peace only come when we follow Jesus. The Stewardship Commission

## New Bible Study Opportunity!

There is going to be a new Bible Study Class starting at St. Mary's. Like Jesus said: "Do not be afraid!" We will be studying the Mass readings for next week's Sunday Mass. Debbie Greiwe and Carol Blasdel will be the facilitators. They both were privileged to attend the National Eucharistic Congress and so many of the speakers encouraged those in attendance to GO! Go evangelize! What we both thought was a way to do this was to try and get more parishioners to find the peace and joy that comes with studying the Word of God in the scriptures.

Carol and Debbie are not scripture scholars. We use the Study Bible (with footnotes!) and the Catechism of the Catholic Church to learn more about our wonderful Catholic Faith.

Please call Anita Navarra (Ext. 204) if you are interested. We are considering doing an early morning class. Perhaps 7 AM before you go to work? Or after the school Mass on Wednesday, like 9:15 AM?

Let Anita know what time would work for you and we will make a decision on the time and day.

## State Archery Tournament

On Saturday, March 8, the St. Mary's Archery teams competed in the State Archery Tournament at the State Fairgrounds in Indianapolis. The middle school bullseye team finished with a new team record of 3068 points. The elementary team also set a team high score of 2770. Both of these scores are good enough to qualify for the National Tournament to be held May 8-10 in Louisville, Kentucky. Way to go!!

The middle school 3D team (shooting at fake animals instead of a bullseye) finished with a team record 1535 points. That score qualifies them for the Nationals in May as well. Sam Welsh, a fourth grader at St. Mary's, competed as an individual in 3D and finished 13th overall in elementary school boys! Great job to all of the archers and their coaches. We are proud of you!
