Grandparents' Day

On Wednesday, September 24, students in grades Pre K through 5 had the annual Grandparents' Day celebration. The day (for grades K-5) began with Mass where the students got to sit with their grandparents. After Mass the special guests were invited to visit the classrooms and see where their grandchildren spend their days and meet the teachers. Student work was on display in the classrooms and artwork was lining the hallways. There were refreshments in the gym along with a photo opportunity to commemorate the day. The cafeteria was the site of a special craft for the grandparents to complete with their grandchildren. After a busy morning, we said goodbye to our special guests at 10:30. The students had a great time hosting their grandparents and we know the grandparents enjoyed their time as well. A huge thank you goes out to the committee of teachers (Carol Blankman, Lisa Kramer, Rylie Smith, Emily Weigel, and Jill Wilmer) who organized the activities and coordinated the day as well as to the numerous volunteers who manned the refreshments and craft tables to make this day possible.

Novena for Mental Health

October 10-18

The entire Church in the United States is encouraged to pray this Novena in solidarity with one another. Let us pray for men and women experiencing or impacted by mental health issues and for all those that accompany them. October 10 is a fitting beginning as it is also World Mental Health Day. It is a time when people around the world are seeking to raise awareness and remove the stigma connected to mental health issues. This nationwide annual moment of prayer fittingly concludes on the feast of Saint Luke, patron of health care, on October 18. Whether this Novena is prayed at the annual time, or at any other time of the year of your choosing, may you know that we never make this journey alone. Let us always pray with and for one another.
