*"Take these out of here and stop making my Father's house a marketplace." John 2:16*

Jesus's anger stemmed from the temple becoming a "den of robbers" and a marketplace, defiling the sacred space for commerce. This reminds us that our bodies are temples of the

Holy Spirit, and we are called to steward our lives for worship, not personal gain or convenience.

### Red Ribbon Week

Red Ribbon Week was celebrated the last week of October. This is a week where we focus on making healthy choices now and in the future. This includes saying "No" to drugs and tobacco products and eating healthy and being mentally healthy. Our theme this year was, "Life is a Puzzle: Solve it Drug Free." Each day there was a themed dress code. On Monday students showed that they were RED-y to make good choices by wearing red. Tuesday's theme was "Team up for Good Choices" so students could wear their favorite team shirt or jersey. Since we had mass on Wednesday students wore uniforms but they could put on crazy hats after Mass to show that their heads were crazy with hats and not bad choices. You could not miss our students on Thursday – they were in neon or bright colors! The theme was, "Our future is bright when we make healthy choices." Thursday was also the day that the Decatur County Probation officers paid a visit to our students to talk to them about the importance of making good choices. Jeramiah McAdams, Dustin Barkdull and Gracie Shonk focused on having trusted adults in their lives that can help them make good choices and support them when the peer pressure becomes overwhelming. Thanks to the Greensburg Prevention Group, they were able to award prizes to students who answered questions and brought back the paper about their trusted adults. We appreciate their time spent talking to our students. It helps to hear many different voices giving the same message that healthy choices matter! With Friday being Halloween, our theme was, "Don't disguise your best virtue!" Students were allowed to wear Halloween costumes to school to culminate our Red Ribbon Week celebration. It was a successful and fun week full of lessons about that will hopefully lead our students to become the best version of themselves.

The kindergarten class is RED-y to make good choices!

Students learn from Dec. Co. probation officer Jeramiah McAdams.

#### Coping With Grief During the Holidays

Monday, November 10th | 6:30 to 8:30 PM

St. Mary Church

This program is being offered for anyone who has lost a loved one and is looking for ways to deal with the upcoming holidays. The evening is being held by the Bereavement Ministry Team and is open to the public.

The United Catholic Appeal is a reflection of who we are as Church—faithful, compassionate, and united in Christ. Rooted in the mission of the Archdiocese of Indianapolis, this annual effort provides essential support for ministries that form disciples, care for those in need, and strengthen Catholic life across central and southern Indiana.

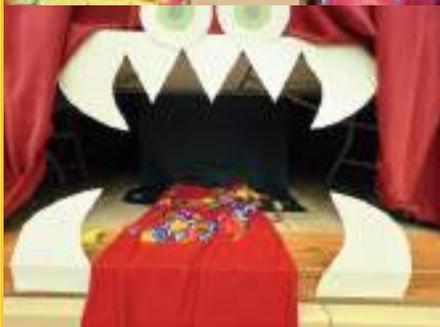

Through the Appeal, we Go Forth together—funding vocations and Catholic education, supporting parish life, and extending Christ’s love to our neighbors, both Catholic and non-Catholic alike. It’s a powerful way we live out our call to be the hands and feet of Jesus in the world.

We invite you to be part of this mission. Watch the stories. See the impact. And join us in building a stronger, more vibrant Church—one act of generosity at a time.

#### Trunk or Treat 2026

Although, weather moved the festivities indoors, 319.4 pounds of canned food items were collected and donated to Bread of Life! The St. Mary’s Adult Catechetical Team supplied both pumpkins to decorate and hot dogs, chips, popcorn, and drinks for families to enjoy. Many of our youth and community members worked together to decorate tables and pass out candy to the participants. Thank you to all who made this event a success!

### Feast of the Dedication of the Lateran Basilica in Rome Why All the Fuss about Buildings?

What's all the fuss about buildings? Doesn't the Bible tell us over and over again not to focus on material things but rather on the heart? Aren't we supposed to focus on the Church rather than a church?

Well, if the Church has proclaimed this day a feast, then it must have some great significance, so let's find it. The Archbasilica of St. John Lateran in Rome is the cathedral of the Bishop of Rome. His cathedra, his bishop's seat, is found at St. John Lateran. This basilica was built on terrain donated by Emperor Constantine himself and celebrated the freedom of worship granted by the Edict of Milan. Wow.

Ok, so maybe this isn't just any old church. It holds special significance, reminding Catholics of the courage of the early Christians who fought for freedom of religion and the unity of the universal Church with the Holy See.

This feast can serve as a reminder to us of the respect due our own parish church. Do we see it as a place of honor, reverence and community worship? Do we dress and act appropriately, considering we are in God's presence? Do we offer ourselves together with Christ in the Eucharistic sacrifice, uniting ourselves with Catholics throughout the world?

May we celebrate our universal Church today and may we thank God for all of the churches that have been built and dedicated to allow us a space to worship freely. Maybe we should make a fuss about these beautiful buildings after all.
