

The background is a painting of a landscape. The foreground is a field of green grass with a path leading towards the horizon. The sky is filled with swirling, textured clouds in shades of blue, green, and white. The overall style is expressive and textured, reminiscent of Vincent van Gogh's 'Olive Trees with Yellow Sky' or 'Olive Trees with Yellow Sky and Sea'.

Every person has been given gifts from the Holy Spirit. These are called "charisms" and they are used to build God's kingdom of earth. While many people recognize their natural talents and abilities, they may be unsure of their charisms. Remember— no gift is too small or insignificant in God's salvation plan. Battle of the Books

St. Mary's had two teams in the Greensburg Public Library's annual Battle of the Books on Saturday, April 18. The team with the highest number of correct answers at the end of the competition was our fifth grade team! They edged out our sixth grade team by just a single point! We are very proud of these students and the hard work they put into this competition.

Mother's Day Spiritual Bouquet to Our Blessed Mother

Join us next weekend in offering a spiritual bouquet. Parishioners are invited to write down their prayer intentions and offer them to Our Lady at either the inside shrine or the outside grotto shrine. You may also bring a flower with you to Mass if you would like. Vases will be provided at the shrines. We offer the prayers and flowers in thanksgiving for Our Lady's motherly love and intercession.

As we celebrate the gift of mothers and honor Our Blessed Mother, *we also recognize that Mother's Day can be difficult for many.* We hope this spiritual bouquet provides an opportunity to pray for the intentions brought to your heart by Mother's Day.

Service and Social Justice

Major Catholic Social Justice Documents

The Church in the Modern World (Gaudium et Spes) The Second Vatican Council (attended by bishops from all corners of the world) focuses on responding to "the joys and the hopes, the grief and the anguish of the people of our time," especially the poor (no. 1). The Council develops a theological basis for the Church's engagement in the world, noting how the Church must interpret the signs of the times, both positive (growing wealth, unity, and communication) and negative (hunger and disease, war, the wealth gap, divisions based on nation, class, and race, etc.) in light of the Gospel. The Council emphasizes the Church's concern for human dignity, the solidarity of the human community, the important role of human work and activity in the world, and the engagement of the Church in society and the world. The second part focuses on marriage and family, cultural diversity, social and economic life, political life, peace and war, international cooperation, and the need for integral human development, which is person-centered and includes spiritual development.
