

A vibrant, impressionistic painting of a garden path. The path is a light, sandy color, winding through a lush garden. On the left, there are large, multi-petaled flowers in shades of pink and red, with green foliage. On the right, there are clusters of red and purple flowers, possibly hydrangeas, with green leaves. The background is filled with more greenery and small yellow and white flowers. The overall style is soft and painterly, with visible brushstrokes and a rich color palette.

"The most important person on earth is a mother. She cannot claim the honor of having built Notre Dame Cathedral. She need not. She has built something more magnificent than any cathedral—a dwelling for an immortal soul, the tiny perfection of her baby's body."

The old line says "if you want to make God laugh, tell him your plans." Many of us are diligent in our planning and making sure things are progressing smoothly. Then disaster strikes, we don't get the result we anticipated, or an unforeseen problem arises. Adversity humbles us and reminds us of our

dependence on God and not on our own self. God has a better plan in store for you.

My dear Heavenly Mother Mary, you know the pain of losing a child. Please be at my side as I mourn the loss of my baby through miscarriage. Help me find comfort in knowing that God has my baby's little soul in His merciful keeping while I hold my baby in my heart. We ask this, in Jesus' name, through your intercession. Amen.

### Arts Fest

Our annual Spring Arts Fest is Wednesday, May 13. The building will be filled with artwork created by students in Mrs. Carol Blankman's art classes. Every hallway is adorned with projects and pictures made by the students in grades K-6 as well as the seventh and eighth grade Honor Art students. Doors will open at 5:30 for viewing that evening. At 7:00 PM the musical portion of the evening will begin in the gym. The beginner and advanced bands will also be performing a few songs that they have been working on this year. The program usually last about an hour and then families will have until 8:30 to enjoy more of the beautiful artwork throughout the building and to vote for the People's Choice Award for best ceramic foods project before they head home. All are welcome to come and see the artistic and musical talents of our students on full display! It is truly amazing to see and hear what they can do!

### Junior High Track News

Our middle school students are invited to be a part of the Greensburg Junior High Track Team and many students take advantage of the invitation and are having very successful seasons. Two of our students have been especially successful, setting and breaking new school records in their respective events. Fletcher Hash set the school record for the 2400 M run and then has continued to break his own record race after race as he shaves time off his performance. Layla Hoover has done the same in the 200 M hurdles event. She has been dropping time all season to refine her record. We would like to congratulate them, along with all of the GJHS track athletes, for a great season!

**On May 14, 2026 we remember the Solemnity of the Ascension of the Lord.** In the days following His resurrection until the Ascension, Jesus appeared to His apostles in several different ways to affirm for them that He had been raised from the dead and truly lives. They were filled with the theological virtue of faith, indicating that with God all things are possible. Soon He would leave them again, this time to sit at His Father's Right Hand. The Holy Day of Obligation is transferred to the 7th Sunday of Easter in the United States. Doing so allows greater exposure and more solemn celebration of the holy day among the faithful.

On Care for Our Common Home (Laudato Si') Pope Francis calls the ecological crisis a moral and spiritual challenge, demanding profound interior conversion. The world is a gift and we must protect it and all people, who are part of creation. Calling attention to our interconnectedness, the Holy Father exhorts the one human family to work together to reduce consumption of non-renewal resources and for wealthy nations to assist poor ones. Those in poverty, he writes, have least contributed to climate change but are disproportionately suffering its effects. Instead of contributing to an economy of exclusion, technical and economic progress must serve human dignity and authentic human development. Work to protect the natural world must respect the life and dignity of vulnerable human beings, such as unborn children, those with disabilities and victims of trafficking. All people are called to a change in lifestyle and consumption. Individuals, families, communities, and civil and political leaders must all take action so that God's vision of renewed relationship between God, self, others, and all of creation can be realized.

2015 – Praise Be to You (Laudato Si') – Encyclical, Francis

## Are You called to be a Deacon? Come and See Event

Join us for one of these regional gatherings on the Permanent Diaconate. There will be a short presentation on the Diaconate and then a Deacon will share their own journey toward this ministry in the Church, followed by time for Q &A.

**Tuesday, May 12 | St. Patrick, Terre Haute**

**Tuesday, May 19 | Our Lady of Perpetual Help, New Albany**

**Tuesday, May 26 | St. Michael, Brookville**

All four events will be 6:30– 8:30 pm. Canon law indicated that men must have reached the age of 35 by their ordination and be no older than 65 when they are ordained. Formation is a five-year process. Wives are welcome and encouraged to attend “Come and See” events as well. These events are not required but could be helpful in the discernment process. For more information, please contact Deacon John Jacobi at [jjacobi@archindy.org](mailto:jjacobi@archindy.org) or 812-946-0873.
